

AES GLOBAL RECEIVES SUPPLIER SERVICE AWARD FROM *JET2.COM*

Award for Great Service

(Braintree, UK – 20 December 2019) Aerospace Engineering Solutions (AES Global), a UK and EU aerospace design and certification organisation have received the Supplier Service Award from leading UK leisure airline *Jet2.com* and *Jet2holidays* for ‘Great Service’. Ian Brooks, *Jet2.com* Procurement Director presented the award to Andy Dolby, Director of AES Global at a ceremony in Manchester, UK.

The *Jet2.com* Supplier Conference which took place on 11th December awarded AES Global with one of six awards presented to their supplier network for contributions as a partner and supplier for their ongoing success.

As an approved EASA Part 21J Design Organisation, AES Global work with *Jet2.com* to supply the airline with integrated engineering modification programs and solutions for their fleet.

Andy Dolby, Director for AES Global said: “We are extremely proud to be a partner and supplier to *Jet2.com* and *Jet2holidays* and we look forward to continuing this ongoing success.

“To be recognised for our experience and knowledge by a world-class award-winning airline we can thank our great team behind AES Global and wish *Jet2.com* and *Jet2 holidays* the continued success they so rightly deserve.”
